

Kia ora Parents, Whānau and Caregivers,

Term 3, Week 4

Term 3 has got off to a great start with plenty happening around our school as our students strive to explore their personal potential. Many of our students enjoyed participating in the Super 11 Winter Tournament (see results below).

Our Senior Leadership Team and student leaders enjoyed visiting our 8 contributing schools to talk to Year 6 students about their transition to Tauranga Intermediate. We look forward to welcoming prospective students and whānau to our new revamped Open Evening on Thursday 29th August.

Out of Zone Students

We are pleased to announce that next year's forecasted roll numbers will mean that we can again accept a number of out-of-zone students. **Enrolments close on Tuesday 10th September.** To enrol please go our website: www.tauranga-int.school.nz or use this QR code

Student Led Conferences

Student Led Conferences will take place in class on Monday 23rd of September from 9:00am-7pm, and Tuesday 24th from 3:15pm-6:00pm. The purpose of the Student Led Conference is:

- For your child to share their learning
- To celebrate their success
- Set goals for Term 4

TIS at the Olympics

It has been fantastic to see some former TIS students and current whānau representing New Zealand on the sporting stage in Paris. Congratulations to ex students Julian David (speed climbing), Eva Morris (synchronised swimming), Jordan Parry (rowing double sculls) Thomas Saunders (yachting). Congratulations to our whānau involved with the gold medal winning women's Rugby 7s team- Cory Sweeney (Coach), Portia Woodman-Wickliffe and Stacey Waaka (players). Congratulations also to Dylan Collier and Joe Webber, members of our men's 7s team.

School Speech Competition

All students have been involved in speech writing and presenting from the latter part of Term 2 into Term 3, culminating in our school Speech Competition this week. Students could select from a traditional speech, podcast, TedTalk or Information Report to deliver to their class, with only the traditional speech being eligible for the speech competition.

Each House had their own competition first and selected one Year 7 and one Year 8 finalist for the school final. We had visiting judges from Tauranga Boys College and Tauranga Girls College, alongside two of our own staff, Miss Makgill and Matua Dylan who were extremely impressed with all the speeches.

Signalised crossing at Fraser Street between 17th/18th Avenues

The construction of the signalised crossing on Fraser Street between 17th and 18th Avenues is complete, the signals are now fully operational, and the crossing is open to the public. The temporary crossing has been removed.

An important reminder for all users of this crossing to check for vehicles before stepping out onto the crossing, even if they have the green signal.

For drivers, please be aware of the new road layout and be prepared to stop when required at the traffic lights.

This week we continue to construct the last remaining section of the footpath where the temporary crossing was. Depending on the weather, this work will be completed by the end of next week.
