

Kia ora Parents, Whānau and Caregivers, Term 3, Week 10

As we enter into the last week of Term 3, we can reflect back on a very successful term. This term we have seen so many students exploring their personal potential through a wide range of opportunities. These have included our School Production - Moanaroa, many classes attending our school camp at Ngamuwahine Lodge, quality learning in the classroom, Super 11 sporting competitions, Waikato Science Fair, Hauhake and mainstream kapa haka, hosting international students from China and Japan and last week's Zespri AIMS Games. A big thank you to our staff and parent supporters who have helped facilitate these opportunities for our students.

Welcome to our new School Board

Last week we welcomed our new School Board. Our Board members are Paul Ashby, Libby Gosling, Jonathan Miller, Won Jin Kim, Dave Guruge, Jess Guy-Patterson and Jack Te Moana (Staff Rep).

I'd like to acknowledge and thank our outgoing Board Members - Bruce Cameron, Tristan Hewitt and Rachel Pennell, who have given six valuable years of service to our Tauranga Intermediate School community.

Open Evening

We were very happy to host our TIS Open Evening on Thursday 21st August. This year included prospective whānau visiting 12 fantastic stations that showcased TIS. Our student leaders and kaiako did a great job of helping run the evening and the feedback from our visitors was incredibly positive.

Zespri AIMS Games 2025 Wrap-Up

We had 300 students participate in the Zespri AIMS Games, and what a magnificent week of sport it was! TIS teams competed across 25 different sports, lining up against 431 schools from across the country. This year's Zespri AIMS Games was the biggest yet, with more than 14,000 competitors taking part.

Our school performed exceptionally well, showing not only great results but also the values we are most proud of – teamwork, resilience, and sportsmanship.

The results speak for themselves – with 13 Gold, 11 Silver, and 4 Bronze medals across a wide range of sports. From dominant wins in the pool and on the mountain bike trails, to thrilling nail-biters on the netball court and basketball court, our athletes proved they could match it with the very best in New Zealand.

Highlights included incredible close battles, moments of pure dominance, and inspiring performances that showed true determination. Most importantly, the week wasn't just about medals – it was about experiences, friendships, and creating memories that will last a lifetime.

Congratulations to all our athletes, coaches, staff, and supporters for making the Zespri AIMS Games 2025 such a huge success for TIS!

Support a local business

As part of one of Tauranga Boys College Classes, 12 students chose Business and went through the process to create our own product.

Their business product is a bag specifically designed for students' to carry their sports balls in a way that is convenient & safe. Their specialty product enables students to carry their basketball, netball or Volleyball - hands free. Therefore they are still able to ride a bike. If you may be interested in this product please use the contact details on poster.

Thank you all for your support in 2025.
