

TAURANGA INTERMEDIATE SCHOOL

BYOC Agreement with Tauranga Intermediate School

This is an agreement between parents and Tauranga Intermediate School to ensure the best care and responsibility of the Chromebook is exercised during each student's time at Tauranga Intermediate School.

1. Chrome Education Licensing

Chromebooks that will be used through this BYOC agreement will be managed through Chrome Education. This means that:

- Chromebooks will be used as a tool that will enhance learning.
- Chromebooks will have online safety settings enabled.
- Lost/stolen Chromebooks will be locked down with a return to school message.

Through Chrome Education, **only users of our school domain** can login to the Chromebook. Parents and Whānau are welcome to use the Chromebook at home, however the same online safety settings will apply.

Please note, Chromebooks need to be reset (power washed) to be enrolled into the schools Google Admin Console in order to be managed. Please make sure ALL files are backed up to your Google Drive and not saved locally on the device.

Please refer to our school's BYOC policy which is located under Learning-BYOC on our school website.
