

Kia ora parents, whānau and caregivers,

We have had a positive start to Term 2. It is great to see the learning, sporting and cultural programmes in full swing across the school.

Teaching and Learning

Mid year Report

A reminder that your child's Mid Year Report will be coming home with your child on Monday 23rd May. This report includes Overall Teacher Judgements in Reading, Writing and Maths, a general comment and a Technology Specialist report. Our Technology Specialist classes run throughout the year and include Science, Art, Soft Materials, Hard Materials, Food, Music and Digital Technology.

Learning Conferences

A reminder also, that our Learning Conferences are being held on Wednesday 25th May (3:20pm - 6:00pm) and Thursday 26th May (8:00am - 7:00pm). They are 20 minute conferences and are an opportunity for you and your child to meet with their teacher and share learning, progress, challenges, goals, and achievements. Learning Conferences

Bookings can be made using the School Interviews website. Details have been emailed home and are available on our FaceBook page. We encourage whānau to keep their child at home on Thursday 26th May, however we can supervise students who are unable to stay home on that day.

If your child is in Room 1 or 2, Learning Conferences can be booked for the following week (Wednesday 1st and Thursday 2nd June) due to being on camp next week.

Sport:

AIMS trials continue over the next three weeks. Students are able to trial for multiple sports, but may only compete in one team sport and one individual sport if they are selected. This is a big challenge in such a large school. Please trust our trial process as we have the best intentions for our students.

There are various school champs in the next month including swimming sports, table tennis, and cross country. This is an opportunity for all students to take part.

Inter house sport is heading into finals for Ultimate Frisbee next week. We then move on to a "Quick Fire" dodgeball tournament and finish the term with Matariki games. This is an exciting term of sport at TIS.
