

**TAURANGA
INTERMEDIATE
SCHOOL**

Kia ora whānau,

Below is clarification in regards to our Stationery pack that includes a Chromebook and classroom stationery.

The stationery pack (books, pencils, pens etc) is part of the Chromebook pack and needs to be purchased from the school. As per our previous communication, this is \$375 (paid over 1 year for Yr 8's and over two years for Yr 7's plus a \$100 deposit) and can be paid in full or in instalments at school or online.

Parents who have communicated that their child will bring their own Chromebook that meets the specifications and filled in the BYOC form, still need to purchase the stationery pack from school. The cost is: Stationery pack - \$50, Chromebook set-up cost (compulsory) - \$10, **Total - \$60** and can be paid in full at school or online by 1st March.

We have been very fortunate to obtain heavily discounted Chromebooks and stationery through our bulk purchase.

A reminder that all students will be provided with a Chromebook for learning, regardless of whether whānau opt to pay it off over 1 or 2 years.
