1st February 2024

Dear Parents/Caregivers and Students,

SPORT OPPORTUNITIES - TERM 1 2024

Sport is a big part of the culture at Tauranga Intermediate School and we encourage all students to be involved with a sport to develop healthy habits and meet new people. From a social level all the way through to top competition with the Zespri AIMS GAMES being the pinnacle of our sporting calendar in September. We are very fortunate to have outstanding sporting facilities at our school. Our TECT Gym features an indoor netball court, a basketball court, 5 badminton courts, kiwi volleyball and full size volleyball courts, a squash court, a rock climbing and bouldering wall. The top turf has 4 tennis courts/4 netball courts, also hockey and football field markings and the new bottom turf has proven very popular during lunchtimes. Our field has just been resown and probably a few months away from being finished, however this will be usable for PE classes and break times. We are very excited about having a nice, well grassed field.

We welcome back our enthusiastic Head of Sport, Mr Reuben Potaka and Sports Assistant, Maka Daysh who brings her passion and experience in sport, particularly basketball to our team. Maka also runs our very popular Year 8 Sports Academy class. Finally, Mrs Hampton who brings 20 years of experience working at TIS to the sports team. We have a number of wonderful staff who give their discretionary commitment to sport in at least one code or more as well as a supportive parent and whānau community.

This newsletter has information about the sports that we have on offer this term and how to get involved in them. Students are only at our school for two short years, so it is important they make the most of the opportunities. Being such a large school, communication is not always easy. Students wanting to get involved will need to ensure they read the TIS Daily Notices that will be available on their chromebooks. This is where they will find out key

information regarding meetings, practices etc. Please encourage your child to attend any meetings to receive the details, even if they are not sure how keen they are from the beginning. Sport is a fantastic tool for having a lot of fun and meeting new friends.

We use a variety of methods for communication. These include HERO, email and newsletters for registrations, cancellations, upcoming trials and events. Our school Facebook page will often celebrate sporting achievements in the school and give information about upcoming events.

During this first term we offer the following team sports that are played weekly throughout the term - football, volleyball and waterpolo - more information on days, times and fees can be found below. As there is only such a limited timeframe to get these teams and groups up and running, **you must complete your registration forms and make payment by the due date.** Additionally, there is the opportunity to do tennis and squash coaching, golf, gymnastics, and hip hop lessons at school.

Term 1 is a very exciting one for the Sports Department. We hold our School Swimming Sports on 6 March at Greerton Aquatic Centre. We compete in the following Super 11 PB/BOP Intermediate Association competitions - Tennis, Touch Rugby, an Open Water Swim and Swimming Champs for our top sporting students. We also hold our own Tennis and Badminton Champs at School this term.

Trials for our Winter Sports Teams will also commence this term. Over the winter terms we usually have around 14 Netball Teams playing on Saturdays, 15 Basketball Teams that play on a Monday and 7 Hockey Teams that play Friday nights. Later in the year, there will be opportunities for rugby, football, mountain biking, indoor climbing, indoor bowls and cross country and much more.

The Sports Office is located in the entrance of the Gymnasium and all permission slips, money, uniforms relating to Sports are handed in there. If the office is unattended there is a 'letter-box' in the door for money and slips. Please ensure it is clearly labelled.

COACHES CODE OF CONDUCT
